The Heart of Georgia Masonry

Independent Living Program

On October 16 we held our Ribbon Cutting at our Independent Living House. It was sponsored by Greater Macon Chamber of Commerce and we had several special guests. Karen Lambert and Chenzie Stokes from the Peyton Anderson Foundation were in attendance and we would like to thank them for making this possible with their \$ 50,000 donation. Also in attendance was Mayor of Macon Lester Miller, members of the Macon-Bibb Commission, Grand Lodger Officers and Members of the Board. A huge Thank You to Past Grandmaster Ben W. Polston, his wife Tammie and The First Ladies who all had a big part in decorating the entire house. DJ Carlan our First Independent Living Adult also participated in the ribbon cutting.
