

# Masonic Home of Georgia

## The Heart of Georgia Masonry

### Spotlight

#### Aiden Hill

Aiden has been at The Home since February 12, 2024. He's a 5th Grader at St Peter Claver. He loves fishing, swimming, tubing and the summers at Camp.

#### Janice Beard

Main Houseparent on WWM Cottage - Celebrating her 11th year, she loves spending time with the kids - teaching them better coping and life skills.

## Snow Day 2025 !!

On Wednesday, January 22 we got about 3 inches of snow. The kids had a blast - we went sledding on the hill by our Maintenance Shop and after wearing down one side we moved to the other. Needless to say they stayed at it till there was nothing but grass. I will say though - the Staff was happy that the schools opened back up on Friday after 3 Snow Days.

## A Job Need & Host Families

We have a position available if you would please spread the word. We are looking for a qualified Maintenance Manager: The primary purpose of the Maintenance Manager is to maintain the buildings, grounds, facility, automobiles, and equipment in a safe and efficient manner; Analysis of Operational processes, Resource allocations, Safety processes, with recommendations for implemented improvements.

If you know anyone interested please have them call Chris Babcock (478) 743-5154

Host Families - all the children have a legal guardian that has placed them at the Home. They are required to pick them up on our longer breaks. We are looking for Host Families as being a positive influence in a child's life - to come visit on a Sunday and if things go well maybe picking them up for an Off Campus Weekend if they are not able to go with their legal guardian.

If you are interested or know anyone that would like more information on becoming a Host Family please reach out to Shannon Marrs at (478) 743-5154
